Signature Date

**For all applications:** Any transmitter to be operated in connection with a Club-sanctioned activity must first be certified as complying with MAAA performance specifications. Compliance is to be demonstrated through the submission of a **copy** of an MAAA test certificate for each transmitter, or via inspection (by a CMAC Committee member) of a current MAAA sticker attached to the relevant transmitter.

**Transmitter Test Certificate/MAAA Sticker sighted by a CMAC Committee member (signed and date):** .....

The operating frequency of any R/C set you intend to operate at the Club Field is to be advised to the Club. This information will be published in the Club Frequency Register.
