

CMAC MEMBERSHIP FEES

Membership Type	Annual Membership Fee
Senior	\$ 248
Junior	\$ 50
Associate	\$ 150
CMAC Life Member	\$ 98

Notes

- Time Period** Membership and insurance coverage is from 1 July to 30 June of a financial year cycle
- Associate** Has current club membership with another MAAA affiliated model aircraft club, (and therefore current insurance coverage). Proof of current membership of that Club is required. An Associate member of the club has the same voting rights at a CMAC Meeting as a Full Member.
- Junior** Definition from the *MAAA Statement of Rules: 7.4 The application form must bear the date of birth of a junior*. With effect from 1st July 2003, an Affiliate Member is a junior throughout the membership year if they turn 18 years old on or after July 1 of the membership year. Eg. for the 2018/(2019) membership year, a person born on 1/7/2000 or after is considered a Junior while if date of birth is 30/6/2000 or before they are a senior.
- New Members** New members joining between 1 July and 31 December are required to pay the scheduled onetime Joining Fee **plus** the first year's Annual Membership Fee.

Membership Type	Onetime Joining Fee	Annual Membership Fee	Total
Senior	\$ 100	\$ 248	\$ 348
Junior		\$ 50	\$ 50
Associate	\$ 100	\$ 150	\$ 250

Former members applying to rejoin CMAC after one or more years of not paying the annual fee are not required to pay a second joining fee.

- New Members** New members joining between 1 January and 30 June are required to pay the (1 Jan – 30 Jun) scheduled onetime Joining Fee **plus** half the Annual Membership Fee.

Membership Type	Onetime Joining Fee	Half Annual Membership Fee	Total
Senior	\$ 100	\$ 124	\$ 224
Junior		\$ 25	\$ 25
Associate	\$ 100	\$ 75	\$ 175

The Half Annual Membership Fee concession does **not** apply to late renewals, who must pay the full annual fee.

- Use of Fees** CMAC forwards a portion of each member's Annual Membership Fee to the MAAA State Association (ACT Aeromodellers Association) as an Affiliation Fee/Insurance Premium and retains the balance to cover club running expenses. The two component amounts are:

Membership Type	ACTAA Affiliation/ Insurance Component	CMAC Club Component	Total
