Definitions:

- Time Period Membership and insurance coverage lapse on 30 June 2012
- Junior Nineteenth birthday on or after 01 July 2012 (member remains under 19 throughout 2011-12).
- Family Junior Nineteenth birthday on or after 01 July 2012. Dependant child of a CMAC Senior Member in 2011-12.
- Associate Has current membership (and therefore current insurance coverage) with another MAAA affiliated model aircraft club. Proof of current membership of that Club is required. An Associate has the same voting rights at a CMAC Meeting as does a Full Member.
- Joining Fee New members, whether applying for full or associate membership, are required to pay the scheduled one-time joining fee in addition to the first year's scheduled annual fee. Former members applying to rejoin CMAC after one or more years of not paying the annual fee are not required to pay a second joining fee.
- Late Joining New members joining between 1 January and 30 June will pay the Full joining fee plus half all other relevant fees. This concession does NOT apply to late renewees, who must pay the full annual fee.
- Committee Members who have served a full term on the CMAC Management Committee may claim a discount of up to \$132 from the full Annual Fee for the year following their service.
